

How to Get There

From Interstate 35/80: Take exit 127 (Urbandale) west onto Highway 141. It's about 20 miles to exit 138.

Picket Fence Creamery is south of the exit, the first farm on the right.

To get to Prairieland Herbs, turn north off the exit, onto 210, then almost immediately left onto S Avenue, a gravel road. Prairieland Herbs is the first farm on the left.

Northern Prairie Chèvre can be reached by following S Avenue for about four miles (It changes to M Ave when you cross the county line :)), then turning right onto 310th St. It is the first farm on the left.
